

Rimage Software Activation

Online using Rimage control center

1. In the Software Registration dialog, select the "register now" option.

2. Select the "Online using this computer" option.

3. Click the hyperlink to connect to the Rimage registration site.

The image shows a 'Software Activation' dialog box with a blue title bar and a close button. The main content area has a white background with the title 'Online Registration Instructions' and a yellow padlock icon. Below this, it lists requirements for registration: Autoloader serial number, software CD holder, and internet access. It provides two numbered steps: 1. Click a hyperlink to connect to the Rimage registration site. 2. Enter activation codes in two text boxes and click OK. At the bottom are 'Help', 'Cancel', and 'OK' buttons.

Software Activation

Online Registration Instructions
